COMPONENTS & MATERIALS

- Wall mounted toilet roll paper dispenser.
- Manual dispensing.
- Robust and vandal-proof.
- Frontal inspection slot to indicate refill level.
- Security lock with key included.
- Suitable for high traffic facilities.
- Suitable for public use with high strength and durability.
- Fully welded structure, highly resistant.
- Security lock with standard key.
- Frontal window indicates refill time.
- One-piece seamless lid, 0.8 mm thick, fully sealed.
- One-piece body, fully sealed and with a catch system to prevent the opening of the door. The supports of the screws in the back of the appliance, are acting as an anti-moisture support, as well as slots to avoid the screws damaging the toilet paper.
